

Dear Parent/Caregiver

## **Nationally consistent collection of data on school students with disability – 2015**

Our school is participating in the collection of nationally consistent data on school students with disability.

We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

The NSW Department of Education and Communities will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students.

All information is protected by privacy laws which regulate the collection, storage and disclosure of personal information. Information about the Australian Government's Privacy Policy can be found here: <http://education.gov.au/condensed-privacy-policy>. Information about the NSW Government's privacy policies can be found here: <http://www.ipc.nsw.gov.au/>

Further information about the data collection can be found on the Australian Government Department of Education website:

If you have any questions about your child being included in the data collection please contact the school.

If you need help with English to make an enquiry contact the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. The operator will call the number you provide and get an interpreter on the line to assist you with your conversation. You will not be charged for this service.

Kind regards
