

# HENRY KENDALL HIGH SCHOOL

Principal – Andrew Backhouse

Dear Parent/Caregivers

## **Re: NSW Teachers Federation Industrial Stoppage – 8 December 2016**

On Thursday 8 December 2016 members of the NSW Teachers Federation will be participating in a one hour industrial stoppage at the start of the school day. This industrial stoppage has the support of the NSW Teachers Federation.

After an assessment of the number of teaching staff participating in the industrial stoppage it will **not** be possible to provide normal school routine. The school will be open and only minimal supervision will be provided for students until 9.45am.

Students should attend roll call in roll call rooms at 9.55am, and normal classes will commence with period 2 at 10.10am.

As Thursday 8 December is our Presentation Night, many students will be involved with rehearsal's for this significant occasion. It is imperative that students involved in the night, whether as performers or award recipients, attend the rehearsals during the school day.

No HSC Assessment tasks will be affected by this stoppage.

Yours faithfully

Mr Andrew Backhouse  
Principal
