Hospitality Uniforms and Fees

Dear Parent/Caregiver

As you have been previously advised the Hospitality courses have the following fees:

Stage 5 Hospitality	Year 10	\$120 consumables
Stage 6 Hospitality	Year 11	\$150 consumables
Stage 6 Hospitality	Year 12	\$150 consumables

Consumables include the purchase of food products for practical classes. Prompt payment of fees is greatly appreciated and these need to be finalised by the end of Term 1 2016.

Students in Stage 5 & 6 Hospitality are not required to purchase a Hospitality Uniform as in previous years. This year the students will purchase a chefs apron and cap which will be worn in their practical lessons. The aprons will be laundered at school and kept at school; we do ask however, that the aprons and caps are clearly marked with your child's name and class. The apron and cap will cost \$30 which is payable to the front office.

Once payment is received we will process the order. Students are asked to pay at the front office and then show their receipt to their class teacher.

All students must wear fully enclosed black leather non slip shoes. If you are experiencing difficulty in making payment please contact the school on 43 252110.

Yours faithfully
