Dear Parent/Caregiver

12 February 2016

As part of the above course your child will be studying one or both units of work, Sport and Australian Society and Factors Affecting Performance. These units are aimed at achieving the following outcome:-

- Ability to analyse the sociocultural factors influencing participation in sport of Australians
- Select appropriate options and formulate strategies based on critical analysis of the factors affecting performance.

To enhance the learning of the students and to achieve the above outcomes in a very enjoyable and practical way we have organised an excursion to the Sydney Football Stadium, Sydney Cricket Ground and the Australian Institute of Sport.

The program will provide an intensive experience for all students in all aspects of the history of sport, sports administration and development, along with an insider's experience of the factors affecting performance. Also included as part of the excursion is the preparation and information gathering aspects of the Core 2 Assessment task worth 15% of the students final school assessment for the HSC.

The excursion will take place during week 6, Term 1 2016. We will depart from Henry Kendall High School on the morning of Tuesday 1 March 2016 and will be returning to Henry Kendall High School on Wednesday 2 March 2016 at approximately 6.00pm.
