

# HENRY KENDALL HIGH SCHOOL

Principal – Andrew Backhouse

Dear Parents

Henry Kendall High School will be hosting a cultural visit by a group of students from Vietnam from 13 - 24 June 2017 for a total of 11 nights. The main aim is to assist them with their study of English as a language, although the experience of staying with Australian families for this time will be a valuable cultural experience as well as greatly assisting with language expertise. It is equally an exciting opportunity and experience for local families.

There will be approximately 18 students and 1 adult in the group. We are offering families from our school community the chance to host one or more student or staff member for this time. A payment is made for each person hosted to assist with any meal costs etc.

Throughout much of the stay the group will be either at our school or involved in excursions. However, they will be staying with the host family each evening and during the weekend. Travel to and from the school each day and 3 meals a day would be expected.

If you would like to be involved in this experience and can host a person with suitable accommodation, would you please complete the section below and ask your son or daughter to return it to the school office. Please contact Ms Jean Laffan (Languages Teacher and Visit Coordinator) or Mr Macdonald (Head Teacher HSIE, Languages and Middle School) if you need any further information.

Yours faithfully
